About Induro

Determined to provide professional photographers and videographers with everything they need, Induro's U.S.-based design team creates a premium line of tripods, heads and photographic support gear that provide unequalled craftsman-like attention to detail and ease-of-use.

Induro manufactures and sells its distinctive product line to professional and aspiring professional photographers all over the world who want the finest support gear money can buy. High quality, superior engineering, unrivaled price and top performance form a strong foundation on which every Induro product is built.

The Induro product line is designed and built for today's professional photographers whose needs are very different than of those from five or 10 years ago. The demands of today's photographers are changing rapidly and the only way to keep ahead of these changes is to have a design team that understands their needs.

For more information visit www.indurogear.com . Induro products are designed and marketed exclusively by MAC Group (www.macgroupus.com) in the USA, and sold by distributors around the world.
